We are well on our way to reach our goal of \$93,750, but we need more help over the next several weeks.

Important Information:

1. You can view all items without registering.
2. To Bid you will need to register and provide credit card information which is protected. If you registered last year and cannot remember your password there is a way to update with a new password.
3. You can set a maximum bid if you prefer. This allows for automatic incremental increases when you are outbid. **No one can see what you have set for your maximum bid.**
4. You can make a list of items you would like to follow for now and not make a bid.
5. We are not going to add any new items to the website for bidding this year.
6. **All Items will be available to view at Ellendale Country Club on Tournament Day, Monday, March 18.**
7. We will have volunteers with I-pads at ECC to assist with registration and bidding on items. If you have a smart phone you will be able to keep up with bids and items with text message notices.

8. Bidding will end at 5:30 PM on Monday, March 18 for items with a MB of \$50 or less and at approximately 6:00PM (or 15 minutes after the final golfers finish their afternoon round for the tournament) for the remainder of the items.

If you are the winning bidder you will have 24 hours to notify us if you prefer to make your donation by check, otherwise the credit card you registered with will be charged.

We want to thank you in advance for your consideration and support. We need many generous donors to make the auction a success. These homes immediately impact two and often three generations, as well as, construction workers, their families and the community businesses that supply our needs.
