

Haiti – House #100 Marie Feret

Marie Renee Féret and her husband Lettone Louis have nine children. At the time they were selected to receive a new house, they were living with six of their children and three grand children in the place pictured in the “before” picture. With a quick count one can realize that eleven people were living together in this little shanty. Mrs. Marie is 54 years old (as of April 2017) and is a member of the church parish of Our Lady of the Assumption. She does farming along with her elderly husband, Lettone Louis, (77) for a living. Both she and her husband are very hard workers. Along with the December 2016 mission team under the direction of Dr David and Laura Fakier, the Feret’s were selected to be the beneficiary of the one hundredth house built by HMI which is located in Mercedes subdivision in Numero Deux Haiti in honor of Mercedes “Dees” Duplantis and Therese “Tay” Gaubert.
