

Haiti House #102 Marie Rose and Jean Renaud Jeudy

Marie Rose and Jean Renaud are very hard working parents of seven children. They have raised them as best they can by farming and selling some of their produce at the Jeremie market. Marie Rose attends Mass regularly at Our Lady of the Assumption church where she has been praying very hard that God could move her and her family out of this deplorable situation. In May 2017, God has heard her prayer. Thanks to all who have in anyway brought about this miracle and blessing for this family.
