

Haiti – House #105 Sylvénie Victor “Souvenir”

Sylvénie Victor whose nickname is “Souvenir” is a 50 year old mother of four VERY TALL BOYS! (As you can see by the picture of her with one of her sons – they are TOO TALL for the house they are currently in.) Souvenir is very courageous and intensely proud of her hardworking boys. She has been able to eke out enough to survive on by selling some produce and other items at the local market in Jeremie. Thanks to all who have helped make this dream of hers a miraculous reality!
