

Haiti – House #109 Mrs. Tulie Balthazar

Mrs. Tulie Balthazar is an 87 year old widowed mother of four children. She lives with two of them, two grand children and three other family members in the “Before” place pictured since the 2016 hurricane Matthew. She was a very hard working farmer before she lost one eye in the Hurricane. Though 87 years old, after her surgery, she still is trying hard to make a living. She was and still is a very generous soul, willing to share the little she has with whoever is in need. The selection committee thought it would be the right thing to do to move her and her family into a much better place to finish her days. Thanks to all who made this beautiful miracle a reality.
