

Haiti - House #125 Wagner and Rosemene Antoine

Rosemene and Wagner Antoine have six children (3 boys and 3 girls). Rosemene is a hard worker who takes good care of the place she called home that you see in the "Before" picture. She also helps her husband farm the area around her house. Rosemene, as do most of the women of the village, walks the five or six miles to the public market in Jeremie when she has products from her garden to sell. Rosemene is a very outgoing and animated woman whereas Wagner is somewhat shy. Both Rosemene and Wagner however were so excited and grateful when our April 2018 mission team visited them to give them the news that they would be receiving a new home in memory of Rebecca Claire Fakier. Thanks and God's blessings to all who helped in any way to make this miracle possible.
