

## Haiti - House #128 - Harry Lamy

**Harry Lamy is a hard working guy that has been working with the Haiti Mission construction team for some time now. Although he has been helping to build these lovely homes, he has never been able to get his wife and growing family out of the pitiful situation you can see in the "before" picture. The prayer of this family was finally heard as they were selected to receive a new home in June 2018. They send their heartfelt thanks to everyone who made this miracle happen and dream come true!**
