

Haiti – House # 132 Alex Neptune

Alex Neptune and his wife Marie have eight children. They are a very hard working couple, very active in their church and community. For a time, Alex served as principal of St Brigitte school in Numero Deux. He also served as one of the leaders of the youth group at the church. He and his wife are involved in various cooperatives in the area where they sell produce that they grow on their small family farm. Although they both work hard, they were never able to improve their living conditions. They are so thankful and appreciative and send their heartfelt gratitude for all who have made this dream a reality.
