

## Haiti - House #144 Sauveur Feret

**Sauveur Féret and his wife, Camesuze Dumay have six children, four boys and two girls. They eke out a living by farming the small piece of property around where they live, selling some of their produce to keep their family going. They had been selected to receive a new home for several months prior to January 2019 but because of some title issues on their property, their "miracle" was delayed. The Feret family and their children had won the hearts of many of our missionaries who have been praying in a special way that this family could finally get out of the terrible situation in which fate had placed them. The Ferets send their prayers and heartfelt gratitude to all who helped this "Amazing Grace" become a reality. (The home is located in the subdivision dedicated to Deacon Lloyd's Mother - Mercedes)**
