

Haiti - House #154 Numa Despeines

Mr. Numa Despeines is an elderly gentleman who lost his wife a few years ago. He misses her deeply and constantly says how much he loves her. He has some mental challenges and is living in a desperate situation as you can see in the "before" picture. The Haiti Mission/Renewal Ministry mission team of May 2019 were able to visit Mr. Numa and let him know that his prayers were answered and he would be receiving a new home soon. He rejoiced and praised the Lord for quite some time. Although he was very seldom been able to come to church, the following Sunday after the team visit, he was there thanking God. He and his family send their deep appreciation and thanksgiving to all who helped in any way to make this miracle happen in his life.
