

Haiti-House #158 The Jean Ronald Michel family

Jean Ronald Michel and his wife Lourdesmia Noël are seen in the "before" picture with their two children. They are a young couple very active in the faith life of Our Lady of the Assumption parish. Jean Ronald is part of the HMI house construction crew and does farming during his spare time. His wife sells used clothing and a few other little items in Jeremie to help feed their family. She also helps her husband with the farming and raising animals. Despite the difficult situation in which they find themselves, they refused to let the hard life take their smile away. It is with great joy that the HMI team chose to bring hope and happiness to this lovely couple by receiving a home in July 2019. They send their love and heartfelt prayers to all who have been part of this miracle in their lives.
