

## **House # 16- Mrs. Lovana Azor's House**

**She is a 70 year old grandmother who has been a widow for many years. Her hut is home for her daughter, several grand children and a few other relatives. It is in essence a local homeless shelter but in its dilapidated condition, soon everyone would be homeless. She had been chosen to receive a new home for a number of reasons not the least of which is that she is a very faithful, hard working woman who sews, farms and raises her only pig. She is always at church and is one of the founding members of the parish prayer group "FANMY BONDYE". She has been praying very hard for years for God to bless her with a new home. Her prayers have been answered.**
