

Haiti - house #169 Vico Dominique

Mr Vico Dominique is an 80 years old widower who lost his wife a number of years ago. Even at his advanced age, he still works hard taking good care of his family farm. He and his wife had seven children, one of whom died a while back. He is a long time parishioner of Our Lady of the Assumption church and still walks the several miles from Debarasse to Numéro Deux every Sunday to attend mass. He lives with one of his sons and a grandson in the pitiful place that you see in the "Before" picture. His "house" was even more severely damaged during the October 2016 hurricane Matthew. It is then with great joy he received the wonderful news that HMI has decided to build him a decent place to finish his days on this earth. God bless all who helped in any way to bring about this miracle in his life and that of his family in November 2019.
