

Haiti - House# 178 David Numa

David Numa (27 y/o) and Rose Farah Loppe (25 y/o) are seen in the before picture on the porch of their friend's house where they have been living since they were unable to pay the rent in Jeremie. David is a police officer and Farah a nursing student in the diocesan nursing school where Fr. Joe often teaches. She has been a student of mine at the diocesan nursing school by the way. David's mom and a brother live with them also. David and Farah are planning to get married in the near future. A new home is an incredible blessing to them and their extended family. They send their thanks to all who helped bring about this miracle in their lives.
