

Haiti - House #180 Jean Marie Fouyol Family

Jean Marie Fouyol and Louisena Alexandre have four children. Jean Marie works as a moto taxi driver. He also salvages and sells scrap metal when he can. That's why you see the metal box in the "before" picture he has been able to put together to call "home". His wife does gardening, selling some of what she can produce to help take care of the family. They regularly attend Mass, praying that Almighty God could one day help them to have a decent place to live. In March 2020 their prayer was answered. They send their heartfelt prayers and thanks to all those who have helped make this miracle come about in their lives
