

Haiti- House #186 the Calas Family

Mrs ILLYES CALAS is 66 years old. She is the mother of 8 daughters and 3 sons. She has 19 grandchildren. Her husband died a few years ago. (She has been living with one son and a grandchild in the crumbling shanty that you see in the “before” picture). She is a very strong hard working lady who still does farming, selling the products of her gardening both in Numero Deux and Jeremie. She is Baptist by faith. She lives by the airstrip of Jeremie (Lot bo terrin). She was asking me for years to help her move to better place. Her prayer has been answered in May 2020. From the bottom of her heart, she sends her deepest, prayerful gratitude to all who have in anyway made this miraculous gift possible.
