

Haiti-House #187 The Feret Family

Vick Feret (58 y/o) and Yanick Gaspard (41) have 3 children. Vick is a farmer and his wife a housekeeper. They are Catholics who attend Mass regularly. As you can see by the pictures, their life is very difficult in the place that you see in the “before” picture that they have been calling home. It is with great joy that they welcomed - (on April 29th, 2020 - the 25th anniversary of Bec's ([Rebecca Claire Fakier](#)) birthday - the news that HMI would move them to a decent place. (They live in Mercedes/Therese s/d in the community of Nan Sannite). They send their deepest appreciation to all those who helped in any way and thank Almighty God that through the intercession of Rebecca Claire they now can live as humans rather than in the misery in which life had placed them.
