

Haiti - House # 189 The Lifranc Michel Family

Lifranc Michel (41 y/o) and his wife Fabienne (38) are pictured in the before picture with their 2 boys and a young niece. They lost their house during hurricane Matthew and since then haven't been able to get themselves into a decent place. They are both hard working teachers and Catholics who attend Mass regularly. They are always ready to help around the church and community, offering their service freely and generously. Their new home will be built in Mercedes and Therese s/d which is dedicated to helping families in Haiti in memory of the mothers of Deacon Lloyd and Mrs. Faie. The Michels send their prayerful and heartfelt thanks and appreciation to all who helped in any way to make this dream a reality.
