

## House # 19 - Lissa

**Mrs. Marie Lissa has severe diabetes and has lost her leg because of it. She will now have a wheelchair accessible house.**

**Before**

**First day of forming up Lissa's house**

**Slab pour**

**Cement mixer**

**Setting the trusses**

**The roof goes on**

**RIP – Unfortunately Mrs. Lissa succumbed to her condition in September 2013. Her family will benefit from this new home for years to come.**
