

## **Haiti - House #191 - The Charles Family**

**Wesly (32) and Joanne (34) Charles have 2 children. He is a moto taxi driver as his primary source of income to take care of his family. Toward that end he works very hard. Joanne takes care of the kids at home and does a little gardening also. She has been recently trained to be a potential worker at Bec's Bakery. The Charles family is Catholic and comes to Mass almost every day. Joanne is an active member of one of the church choirs. Their prayers have been answered and they are so happy that HMI decided to move them to a more decent place to live in July 2020.**
