

## **Haiti - House #193 The Fils Family**

**Mr Rolin and Mrs Chantale Fils have seven children. They currently live with six of them and two grandchildren. They do farming for a living. Mrs Chantale also sells cookies, candies and other staples to help take care of the household. They are Catholics but are not able to get to church regularly as a family. The notable exception is one of the children who comes every Sunday to pray and present their very difficult situation to Almighty God. In July 2020, the prayer of this hard working and faith-filled family was answered. They send their prayerful thanksgiving to all who have helped bring this incredible blessing to their lives.**
