

## Haiti - House #199 Mdme Iran Christophe

In the “before” picture is Mrs Iram Christophe, (Ne’ Yzelia Nicolas on December 28, 1951) with some of her family. The Irams have four children, three of which along with two grands still live with them in the crumbling shack that you see in the “before” pic. They primarily farm to provide for the family. Mr Iram works some as a watchman at the Jeremie air strip. Many of our HMI team members will remember him as one of the porters that helped load and unload the luggage. His family has been the appreciative beneficiary of the tips that HMI teams always give. They send their love and assurance of prayers for this wonderful blessing in their lives.
