

## **Haiti - House #206 Stevenson Guerrier and Rose Milord**

**Stevenson Guerrier is a young police officer, working in Jeremie since 2013. He has been engaged to Rose Mirline with the wedding date set for December 19, 2020. Rose lives with her parents while Stevenson rents a room at a friend's house. They have purchased a little piece of property (pictured in the “before” photo) but don't have any possibility to build a house on it. The HMI selection committee felt that it is good to encourage this young couple to not only get married but especially to help them get on their feet with their own home as they begin their new life together. They can't express the joy in their hearts at receiving a wedding gift such as this! They send their heartfelt appreciation to all who have made this possible.**
