

## **Haiti - House #207 Gregory and Berline Bazar**

**Pictured are Gregory Bazar and his wife Berline with their little girl. Gregory has some training as a welder and Berline is a teacher. They have been struggling for a more decent life so they presented their difficult situation to HMI for help.. By the grace of God and the generosity of our donors, December 2020 has been the end of a tough journey and a new beginning for this young family. They send their prayerful thanksgiving to all who helped in any way to make this “Christmas” miracle happen in their lives.**
