

Haiti - House #210 Fitznel Antoine

Fitznel Antoine and his wife, Lovely Lajeunesse, are pictured in the “before” picture with one of their 2 children. Fitznel is a farmer and a cement mason working on the HMI construction team. Lovely helps her husband in their little gardens and takes care of the household. She also sells part of the products of their harvest in the Jeremie market. Lovely comes regularly to church with the children, asking God to help them one day to possibly have a decent place to live. In January, 2021, by the grace of God and because of the generosity of the HMI donors, her prayer was answered. The Antoine family sends their heartfelt thanks and prayerful appreciation to all who helped in any way to bring about this “miracle” in their lives.
