

## House # 24 – Suzette Deipeines

**Mrs. Suzette Deipeines is a woman who became blind at an early age. Her health is not good and living in this deplorable situation made her condition worse. Responding to the great Advent prophecy of Isaiah 35:5 “Then the eyes of the blind shall see” HMI was able to get Mrs. Suzette into a new home for Christmas 2013. She might not be able to have physical sight but the eyes of her heart certainly can see and feel the great love that comes with this home.**
