

## Haiti House #328 Jameson Augustin

**Jameson Augustin and his wife, Emilie Jeanty, have 3 children. Jameson is a mason and Emilie takes care of the shanty that they are living in, trying to make it a loving home. She sells a few things as she can, like so many others, by the roadside. They live in Numero Deux and are very faithful people. That is why they praise God for hearing their prayers for a new home. They also thank the donors who have responded to God's call.**
