

## House # 33 - Dominique

**Mrs Martha is a member of Our Lady of the Assumption parish in Numero Deux, Haiti. She lives with two grand children in a village several miles away by the name of Carrefour Caton. Although her health has been failing, she has a strong faith and does her best to be at mass every Sunday AM, walking the several miles to accomplish this arduous task. The place she was living before HMI was able to build her a new home was a virtual sieve, having so many holes in the roof that anything staying dry inside during the torrential rains had been impossible. We know her health as well as the health of her grand children will be greatly improved by the generosity and commitment of the HMI family to build this new home. Families helping families is what HMI is all about!**
