

House # 36 – Eric Antoine

Eric Antoine is the gardener of the compound in Numero Deux who, along with his wife, used to take care of the HMI pig farm. Eric is a very kind man with a good, humble heart and a hard worker who always takes care of his gardens. Though the Antoine's are poor, they find ways to share the little they have with others. They have no biological children of their own but they adopted a little boy. The Antoine's are faithful members of the church parish of Our Lady of the Assumption. As you can see by the before pictures, the place they called home was in dire need of rebuilding. The material of which it was built was crumbling down around them and the roof afforded almost no protection during rains. HMI was delighted to bring the life-transforming gift of a new house to the Antoine family in the month of October, 2014.
