

House # 45 - Suzette

The woman in the picture is a widow affectionately referred to as “Mrs Suzette”. She lives with her two children across the Numero Deux (Jeremie) airstrip in the community of Lot bo teren and is the neighbor of the recipients of House #44 built in February 2015 for Benito and Marie Luce Fouyol. Mrs. Suzette is a member of the Catholic Church parish of Our Lady of the Assumption. She sells fruits sometimes at the airport and does farming to try to make a living. Father Joe says that she is a woman of great faith, always hopeful in God providence. Since she lives next door to the Fouyols and it can be clearly seen by the before pictures that she needed a new house, the selection committee decided that she should receive one of the “Monthly Miracle” homes for March 2015. May God bless all who played a part in making this possible.
