

House # 48 – Sherline Louis

Sherline (Michel) and Jean Renold Louis have 5 children of their own and an orphan which they adopted. It is hard to imagine how their family of eight could subsist in the “before” pictures you see. She is a hard working woman who is also very much involved in the church parish. She always manages to put a little something in the Sunday collection. She cooks food to sell to the HMI construction team and helps her husband with his farming. Though the the condition of her house is bad, she was always served as an advocate for other’s people in the community in more pitiful conditions than she. It is with great gratitude and thanksgiving that she and Mr. Jean Renold send their deepest love and appreciation for what God has done in their lives.
