

## House # 49 - Vertu Malbranche

**Marie Vertu Malbranche (commonly known as Nadege) has 3 children and lives with the father of one. She has a very difficult life. Her first daughter is very committed to singing in the church choir. Marie comes regularly to church and is always asking Fr. Joe to perform little jobs in order to be able to take care of her children. With this blessing of a new house in May 2015 she and her children will enjoy a better and healthy environment in which to live. Thanks to all who have made this possible.**
