

## House # 51 – Carole Antoine

**Mrs. Carole Antoine is a very industrious lady who has lived and raised her family in the shadows of the Numero Deux compound all her life. Her children have helped pack supplies for HMI family distributions almost since the very beginning of this project which has become such an important part of our mission trips. Our missionaries have watched the children grow. We have all come to know and love all of them as our very own. It is with great joy that we were finally able to replace in June 2015 the crumbling dwelling in which Mrs. Antoine has had to try to survive with this new home. God Bless all who have helped in any way.**
