

House # 54 – Frederick Lubin

Mr. Frederick Lubin is a faithful member of church parish of Notre Dame of the Assumption in Numero Deux Haiti. He walks long distances to worship on Sunday and works very hard to care for his family. His son, Jonas, has been blind since an early age due to an accident. For years now we have been hoping to move this family into a new home. God Bless everyone who has helped to make this miracle possible.
