

## **House# 57 - Mania Brice**

**Mrs. Mania Brice is a 61 year old woman with eight children and many grandchildren. She is a regular and faithful member of the Parish Church of Our Lady of the Assumption where she participates devotedly in the church group of prayer “Fanmy Bondye” – the Family of God. She was always a courageous and hard working woman but she has been experiencing considerable health issues lately and she can’t do as she had been able to do in the past. She still works in her garden and sells some products as she can. She had generously donated a parcel of her land to her sister Sadilla (House #40) so that Sadilla could have a place to live even though Mania was herself in a place that was in bad shape. Now, Mania has been blessed by Almighty God with a decent house that will afford her a safe and healthy place for her to live with her children and grand children. God bless all who have helped to make this woman’s prayer come true.**
