

House# 58 - Lesiane Lestin

Mrs Lesiane Lestin is 83 years old and a faithful member of the church parish of Our Lady of the Assumption. Even though she doesn't enjoy very good health at this time, she still comes to church regularly, walking over a mile one way to do so. She is the mother of seven children of whom one died a few years ago. She still does gardening to try to earn a little something to live with. She is very proud of and takes great care of her flowers and the grass in her yard.

The roof of her house is beyond repair and offers no protection from the rain. The walls of her house are also badly deteriorated. She has been praying and asking HMI for years to do something for her. God has heard her prayer as she was chosen to receive a new home for her and her family in September 2015.
