

## House #68 – Nevelia Charles

**Mrs. Nevelia Charles is the mother of six children, two of which died as infants. Unbelievably, for many years now she and her husband have been living in the place shown in the “Before” pictures. She is a very courageous woman whose trust in God is truly inspiring to all those who know her. Her faith and her joy is manifested by the continuous and contagious large smile that is constantly on her face. Her misery has never been able to take away her peace, happiness and faith in the providence and goodness of God. Her hard work and determination will now be blessed by receiving a new home where she will be able to live with her family in decency and dignity. May God bless all who have helped to make this miraculous dream come true!!**
