

## **Haiti House #70 – Mrs. David Salomon**

**Mrs. David Salomon is an incredible 107 years old as of March 2016 and was a parishioner of Our Lady of the Assumption Parish in Numero Deux Haiti all her life until she could not get to church any more. In one of the before pictures, you can see the role of used empty cement bags to protect the household from the rain coming in through the rotten roof. You can also see in the other picture how a large pan is over her bed to catch the rain water. There are four adult family members and three children who live in the house with her and care for her. The HMI committee felt that it would be good to help her finish her life in dignity and then her family have a decent home to raise her grandchildren.**
