

Haiti House #72 – Mrs. Marie Gerald Jean Louis

Mrs. Marie Jean Louis is a faithful parishioner of Our Lady of the Assumption Church Parish in Numero Deux Haiti. Her house serves as home for her aging husband and several of her grandchildren. The place you see in the “before” picture is literally falling down around her. The roof offers little or no protection from the torrential rains. Thanks to all who made the miracle of a new safe, solid and beautiful new home possible for Mrs. Marie and her family.
