

Haiti – House #85 Mozart

Mozart and his wife have been part of our Haiti Mission team for many years. Mozart is one of Fr. Joe's most trusted and dependable associates. It is because of Mozart's faithfulness and determination that Bec's bakery and the HMI chicken farm initiative have been as successful as they have been. Mozart has a deep faith. He is at Mass every Sunday. His faith was tested severely this past Summer (2016) when his son Mark David tragically drowned while playing with friends in the river just past Jeremie. Mark David was 21 at the time of his death. He had worked alongside his dad for years. This is the first house to be built after the October 4th Hurricane Matthew disaster so we are hopeful that we can once again get back on our construction schedule as well as continue to repair the homes of so many damaged by the hurricane. May God Bless Mozart and his family. May God bless all who helped in any way to make this miracle possible.
