

## Haiti – House #86 – Rosemene Derisseaux

**Mrs. Rosemene is a hard working lady that has struggled to keep soul and body together. As you can see by the before picture, the place she has called home was falling in around her. Mrs. Rosemene house had been torn down just days before Hurricane Matthew hit so she has been truly homeless for these two months. The miracle of a new house will be a blessing to her and her family.**
