

**Haiti – House #89 - Bermate Louis and Bernadel Joseph family**

**Mrs. Bermate has been working at Fr. Joe's compound since 2006 after she lost her husband. She has three children. One of them is a teacher at St. Bridget School in Numero Deux. Her new husband, Bernadel, mostly does farming for a living and is always ready to do volunteer work to help the church and community. Bermate is somewhat the mother hen of the community. She cares for all the kids running around the village in spite of the fact that she is in desperate need herself. As you can see by the before picture, the place that she called home was in pitiful shape. Oh what a Christmas 2016 was for Mrs. Bermate and Mr. Bernadel! Thanks to all who helped make this miracle a reality.**
