

## **Haiti – House #93 – Jean Bazard**

**Jean Lauren Bazard is 77 y/o and his wife is 63. He, along with his wife, are hard working farmers. He is getting old and his wife's health is such that she can no longer help him. They have six children and many grandchildren. Mrs. Bazard was a very strong member of the church prayer group, "Fanny Bondye", before her health deteriorated. Their house, which was already in bad shape, has been severely impacted by Matthew. They will benefit immensely from a new and decent house thanks to Almighty God and all who helped HMI make this impossible dream for the Bazard family come true!**
