

## Haiti – House #96 Euphrasie Milord

**Mrs Euphrasie Milord is a widow for almost 30 years at the time of her new home being built. She has two children and a grandbaby. As one can see from the “before” pictures, her current house is pitiful. She lives out of the products of her garden and a little help from her son. The selection committee decided to offer her the possibility to live in a healthier environment with her family and especially her grandbaby by building her a new home. Thanks to all who made this miracle a reality. This home is dedicated in Memory of David Giannini that Mrs. Milord and her family may live a better life. May he rest in peace.**
