To whom it may concern,

On behalf of myself and the people of God of the Diocese of Jérémie, I would like to thank Haïti Mission, Inc. for all they have done here in may Diocese to aid and help our circumstances. They have enthusiastically and continuously offered economic and spiritual support in a spirit of solidarity since their formation in the year 2000.

I wholeheartedly endorse their organization and encourage any Bishop or Pastor to allow them to come into their Diocese or parish to promote their work. Your people will be blessed and enriched by the experience.

Sincerely in Christ,

WHY ROMELUS

Bishop of Jérémie
