

**Indian Well #6 - Malapet - Bandi Salamma Nandyala India  
(Chinna Guluganur – Chapadu Mandal)**

**Dear Lloyd, Loving greetings from Fr. Shoury. Beginning of this year when I went for vacation I asked you a bore well for our people. You sanctioned \$ 2000-00. I used this money to dig a borewell in Malapet which is a schedule caste village. I submit to you the details of the bore well.**

**1. The bore was dug 200 feet. Each foot costed 200-00 Rupees. Total amount: Rupees 40,000-00**

**2. Installing the casing pipe 50 feet. Each foot costed 500-00 Rupees. Total amount: " 25,000-00**

**3. Twenty, 10 feet pipes installed in the casing pipe. Each pipe costed 1000-00 Rupees**

**Transportation and installation charges 5000.00 Rupees: Total amount: " 25,000-00**

**4. Hand pump and cylinder " 10,000-00**

**5. Construction of platform: Cement, sand, metal and labour charges. Total amount: " 20,000-00**

**6. Audit expenses and food and miscellaneous expenses. Total amount: " 5,000-00**

**Total amount for the whole borewell expenses: Rupees 1,25,000-00.**

**Lloyd donation \$ 2,000-00. Each dollar at the time of exchange in India Rupees 60-00.**

**Total donation in Rupees 1,20,000-00.**

**Local contribution Rupees 5,000-00.**

**Thank you Lloyd once again for your generous contribution. I am attaching the bore well pictures.**

**I wish you good health and God's Blessing on you on your family and Haiti Mission. Please respond to me when you receive this message.**

**Fr. Shoury.**
