

### **Well # 43 Caracole**

**Caracole is a community on a high mountain above Jeremie. The only other water source on this mountain was from a well HMI had drilled at the Sacred Heart Church in August 2011. (See well #19) This additional well was funded by Mr Anselme Mombrun, a friend of Father Joe. Even though it is a privately owned well, it still will be of great benefit to the people living in the area.**
