

Parish Communications: Flocknote

The parish is using Flocknote as a means of notifying parishioners of events and activities, including information related to our response to COVID-19 (Novel Coronavirus). The service is free to our parish (it is paid by funds raised in the Annual Appeal). We encourage everyone to sign-up for Flocknote using your cell phone number and/or email address. This will allow us to notify you of any changes to parish activities. In the future it will also be used to provide updates to parish groups and ministries.
