

SPARK

Saint Julies Middle School Faith Formation

Presents

ENCOUNTER YOUR FAITH

The Encounter Online Series

- Encounter allows our SPARK students to learn about the Bible and share a love of Scripture.
- The Encounter series includes a virtual program that is easy to use and tracks your progress.

Learning in-person or at home

- Our classes will be held in the Church where we will sanitize, wear a mask and safely distance.
- In-person classes will be kept to one hour.
- Parents can choose to have students attend the in-person class or have their student complete the work remotely.
- We will track completed lessons in our Google Classroom.
- In the event that state and local requirements change we will transition into a virtual mode using Google Meets or homeschool model.

Service to those in need

- **Service Hours** each student should complete **5 hours**.
- **Box of Joy** is an annual Christmas ministry packing boxes with toys and essential items for the children suffering from extreme poverty (each box worth 2 hours).
- **Easter Basket Project** allows students and families to make Easter baskets by donating items such as candy, books, toys sending a message of faith, hope and love to deserving families in our area (each basket worth 2 hours).

2020-2021
