

St Katharine Drexel Parish

Liturgy Committee: Meeting minutes August 10, 2021

Members Present: Coletta Cody, Dan Doyle, John Leiting, Margaret Sadoski

Opening Prayer from the feast of St. Lawrence

Update on the replacement for Tanya was shared. Discussion about who would remain on the Liturgy Committee, as well as the need for new members.

Importance of training new and old liturgical ministers was discussed. Suggestion was made to have a "luncheon training" with possible speaker for the adult ministers. There's a big need for more MOH at this time. Members of the Art and Environment committee would also like some training on liturgical norms for decorating, as they transition to new chair people.

Mixed feelings were shared about the continuation of 4:30 Saturday livestreaming. Liturgy Committee would suggest limited use of the balcony, as the sound carries throughout the church. There should be plenty of seating in the nave, since there's no longer any social distancing, at least for now. Status of Covid may continue to determine how we function.

Still many concerns about the sound system. This needs to be addressed!

Items to be discussed with appropriate staff: bulletin/envelope racks, key box for St. Cecelia's room, refrigerator and use of the closet in St. Cecelia's Room, cleaning of Church basement, quotations from St Katharine Drexel.

Upcoming: Aug 15th Solemnity occurs on Sunday this year.

Nov. 1st (Monday) All Saints Day is not an obligatory Holyday. What will be the Mass schedule?

Nov. 7th Possible date for Service of Remembrance

Closing Prayer from the Feast of St. Clare.

Submitted: Coletta Cody
